

Aloha everyone,

Cancer has touched the lives of everyone whether it be personally or indirectly. It's a diagnosis no one likes to receive or hear.

Ever since I was diagnosed for the second time, we of Haili Volleyball have been an advocate by participating in the Relay for Life campaign. The [American Cancer Society Relay For Life](#) event is a life-changing experience that gives everyone in communities across the globe a chance to *Celebrate* the lives of people who have battled cancer, *Remember* loved ones lost, and *Fight Back* against the disease. Each year, more than 4 million people in over 20 countries take part in this global phenomenon and raise much-needed funds and awareness to save lives from cancer.

If you would like to help battle against this disease by making a donation on behalf of yourself or loved one, we would be honored to represent you in this walk for life.

You may write a check out to "The American Cancer Society" and send it to :
